**MIT scientist Shiva Ayyadurai claims that coronavirus “fear mongering” is a “Deep State fraud” to manipulate financial markets.**

Ayyadurai, who is noted for his controversial claim to be the “inventor of email,” has a PhD in Biological Engineering and is running as a Republican in the 2020 U.S. Senate election in Massachusetts.

**110** **Comments** responding to President Donald Trump’s claim that Democrats and the media are responsible for inflaming the coronavirus scare “far beyond what the facts would warrant,” Ayyadurai agreed that the panic was being overblown for political and economic reasons.

“As an MIT PhD in Biological Engineering who studies & does research nearly every day on the Immune System, the #coronavirus fear mongering by the Deep State will go down in history as one of the biggest fraud to manipulate economies, suppress dissent, & push MANDATED Medicine!” tweeted Ayyadurai.

Indeed, no matter the true scale of the crisis, there’s little doubt that Democrats have seized upon it to blame Trump for the recent stock market crash almost the point of cheering on the chaos.

While Trump has been blasted for leaving the United States ill-prepared to deal with a potential pandemic, with just 5,000 people in the U.S. being tested for the virus,
