

10/16/00 James Regal called.

III

He said he was working when Gear came in to pay for the gas. He said he was a little dweebly^(?) guy. He said they can't find the original slip because he thinks that when he paid for the gas they wouldn't have any reason to keep the slip. Gear lifted up his shirt and showed him a bruise on his RIBS/stomach area. He said his hands ~~were~~ was cut up - ABRASIONS, SCRAPES Heavy duty ABRASIONS - SCRAPE ON SKIN - He said it didn't look like he needed medical attention unless he wanted to get his RIBS checked out.

Regal said he didn't listen to the whole conversation that Dolly had with Gear. He said the gist of it was that Mike attacked him. Regal said it didn't make sense to him why Mike would do that w/o provocation and then call the police. He said that he (Regal) came into work in the morning of the 4th.

He doesn't remember if he saw Mike that morning. He had only been working for mobil for 2 1/2 weeks before this. He said that Gear was kind of off the wall - AN UNUSUAL type of guy. Mike told Regal at some point that the guy was hammered and went off on him. He was throwing stuff at ~~the~~ the store. Mike went inside - Guy was throwing

gallon jugs / come.

Regal doesn't remember seeing ~~gall~~ Bottles of jugs
Doesn't remember ^{why} gear said about leaving
without paying.

He said they are getting a new tape machine
and a new camera system. Machine doesn't
tape outside only inside.

Told Maureen ~~the~~ police

He said the Framingham police took the tape back
according to a conversation he had with Dolly when
she came back from vacation. Regal says that
he remembers a cop coming back to the
station with a video tape in his hand. Cop
said it didn't have the right day. Regal said
he assumed he left the tape with Dolly.

He thought if the cop brought it back Dolly
would lock it up and secure it. Regal
remembers talking to Maureen and telling
Maureen that the cop brought the tape back
and that it would be secured. He claims that
he thought that the cops left it with Dolly
and Dolly would have it. He says he assumed
that was the case until Dolly said the cop
kept the tape. Regal doesn't know if a
search was done for other video tapes. He said
he did not touch or handle any video tapes.
