RE: Michael Elbery

Dear Dolly:

Please be advised that I represent Michael Elbery with respect to an incident at your gas station in early July. A customer stole gasoline and assaulted my client at that time. I have been notified that there is a video camera operating at the station during business hours. I would appreciate your cooperation in securing the video tape that was in use at the time of the incident.

I will contact you after I have returned from vacation.

Thank you.

Very truly yours,

Kenneth L. Brekka
