Criminal Docket

#0049CR1893A

(Amended 3006AB)

v.

Michael Elbery

Defendant's Motion

for

Prosecution's Expert Witnesses

&

Credentials and Substance of Opinion

1. The defendant, pro se, as above docketed, Michael Elbery, motions the Court to have the prosecution disclose all expert witnesses it intends to use at the trial of the above docketed case. Including any of the already named witnesses that will attempt to convince the jury that they are experts in something other than lying.

2. The defendant asks the Court to require the prosecution to disclose the substance of each expert opinion each alleged expert intends to testify to at the trial of the above docketed case.
