RE: June E. Elbery Estate

Dear Michael:

Enclosed please find a copy of my proposed Second and Final Probate Account to close out the estate. In this account, I have equally divided the legal fees among all five of the heirs-at-law. I estimate that the additional legal fees caused by Michael's objections to my First Account amount to \$5,328.75. If you believe that this amount should be assessed solely against Michael's share, please email me your comments and if all are in agreement, I will amend the Account to charge the fees against Michael's share which, if Michael objects, will cause a delay in the settlement of the estate and probable additional legal fees.

If everyone is willing to accept the proposed Account, I will send Assent forms for everyone to sign.

I have attached hereto a Distribution Summary for your review.

Sincerely yours,

James A. McLaughlin
