I contacted Salvation Army @ 1-800-728-7825. Since it is your deal they need to talk to you. They said they take furniture. Otherwise, it is your call, see the law.

by the by, I don't live anywhere near Needham. I have not been near that house in years. If you have another urgent matter that you need to be solved by one of the owners of the house, I suggest you contact the 2 owners who live within a few miles of the house.

Michael Elbery, 6-20-18

Michael,

Do you have a firearms identification card? The gun needs to be removed asap. If you do not, do you agree that the police can come and take it? They will do so for no charge.

All others have agreed to the removal of the other items. It is required by the agreement, and we are scheduled to close on Friday, June 29, which is ten days away.

Thank you

John Dugan
