I didn't get your email until Sunday a.m., 6-10-18; I had checked my emails last night (Saturday 6-9-18) and I had not received this email from you. Your email that I am responding to is dated 6-9-18 at 9:52am!

I agree to the \$300.00 from the "collector" of trains.

Don't store what is left in our house in a storage container! Just do as you suggest and sell the stuff or give it away.

The question remains what if one of the 5 owners of the house were not available to answer your email instamatically? I do not have mobile internet and therefore no mobile email. Some of the owners are habitually hospitalized for one reason or another. To expect a one day unanimous agreement to any issue by any five people under the circumstances is almost a physical impossibility. Is Sunday a business day?

The broker found a collector who will pay \$300.00 for the train set in the house but wants to know today if you agree.

Also, please advise if I may dispose of everything in the house by combination of sale, donation or pay for removal. If not, I will file a motion in the Court for permission to arrange for a mover to bring the items to a bonded storage facility and pay the expense from the sale proceeds. The house needs to be broom clean.

****Please respond as soon as possible.**** This is urgent
