140 Mr. BRENNAN. The car was sitting here. That is where I talked to him.
This is where I contacted the officer.

141 Mr. BELIN. You contacted the officer at "F".

142 Mr. BRENNAN. Yes.

143 Mr. BELIN. And then you went over to a car.

144 Mr. BRENNAN. Yes.

145 Mr. BELIN. Would you put your direction to the car and put a "G" on there?

146 Mr. BRENNAN. I walked down the street hereaways with this officer.

147 Mr. BELIN. All right, the point from "F" where you walked down the street,
that would be walking north on Houston?

148 Mr. BRENNAN. I don't know; however, we walked down this way, but I do
remember going in that direction with the officer.

149 Mr. BELIN. You went to the north on Houston?

150 Mr. BRENNAN. Yes. And then back to—

151 Mr. BELIN. Well, just put a mark in there, and cut it back, if you could, just
to show the route of you going north.

152 Mr. BRENNAN. I don't know exactly however.

153 Mr. BELIN. All right.

154 Will you put a mark to "G" at the end? And I believe you said that the car
that you talked to the Secret Service agent in was at point "G" approximately?

155 Mr. BRENNAN. Right.

156 Mr. BELIN. Now, are these accurate or approximate locations, Mr. Brennan?

157 Mr. BRENNAN. Well, don't you have photographs of me talking to the Secret
Service men right here?

158 Mr. BELIN. I don't believe so.

159 Mr. BRENNAN. You should have. It was on television before I got home—
my wife saw it.

160 Mr. BELIN. On television?

161 Mr. BRENNAN. Yes.

162 Mr. BELIN. At this time we do not have them.

163 Do you remember what station they were on television?

164 Mr. BRENNAN. No. But they had it. And I called I believe Mr. Lish who
requested that he cut those films or get them cut of the FBI. I believe you
might know about them. Somebody cut those films, because a number of times
later the same films were shown, and that part was cut.

165 Mr. BELIN. Who would Mr. Lish be with? *← film destroyed*

166 Mr. BRENNAN. The FBI.

167 Mr. BELIN. All right.

168 We thank you very much for that information.

169 Is there anything else that you did at point "G" or anywhere else after the
time of the assassination before you went to the Sheriff's office?

170 Mr. BRENNAN. I walked up the steps and stood on the outside of the doorway.

171 Mr. BELIN. Of what building?

172 Mr. BRENNAN. Of the Texas Book Store, while the officers or the men that
I was with gave some more orders. And then Mr. Sorrels taken me across to
the Sheriff's office.

173 Mr. DULLES. You did not go inside the building?

174 Mr. BRENNAN. No; I did not.

175 Mr. BELIN. Did you notice any people coming out of the front stairs of the
building after these two Negroes came out?

176 Mr. BRENNAN. Well, I recall people going in and out, but a different picture
I cannot remember.

177 Representative FORD. Where were you standing when you identified the two
Negroes?

178 Mr. BRENNAN. On the edge of the street, outer side of the sidewalk, when
the two colored boys came out of the building and came down the steps.
