"Dallas, Texas
March 22, 1964

"I, Dorothy Ann Garner, freely furnish the
following voluntary statement to Eugene F. Petrakis and
A. Raymond Switzer, who have identified themselves to me
as Special Agents of the Federal Bureau of Investigation.

"I am a caucasian female and reside at 911 Royal
Street, Forney, Texas. I was born on August 30, 1925, in
Graham, Oklahoma, and am employed as office supervisor
for Scott, Foreman and Company, located on the fourth floor
of the Texas School Book Depository building, 411 Elm Street,
Dallas, Texas. I have been employed for Scott, Foreman
and Company for ten and one-half years.

"On November 22, 1963, at the moment of the
assassination of President John F. Kennedy, I was seated
at a desk in the fourth floor offices of Scott, Foreman
and Company and was watching the Presidential Motorcade
through a window located on the south side of the Texas
School Book Depository building and I know this window to be
the fifth window from the east end of the building. I
recall that Mrs. Ellis Dorman was sitting next to me at that
time looking out the sixth window and that Victoria Adams
and Sandra Styles were both standing next to Mrs. Dorman
and myself looking out the fifth and sixth windows. Styles, Adams
and Dorman are all likewise employees of Scott, Foreman
and Company.

"I recall that moments following the passing of
the Presidential car I heard three loud reports which I first
thought to be fireworks but only seconds later realized
something had happened on the street below although at the
time of the shots, the Presidential car was out of view behind
a tree. I thought at the time the shots or reports came
from a point to the west of the building.

"I do not recall ever having seen Lee Harvey Oswald
at any time prior to the assassination of President Kennedy
and as positive I did not have occasion to see Oswald on the
morning of November 22, 1963. Further I do not recall observing

Mr. Daniel J. Haggerty, freely makes the following
voluntary statements to agents J. A. McCuba and

capacity as Special Agents of the Federal Bureau of
Investigation.

I am a corporation employee and reside at 300 West
Dove Street, Fort Worth, Texas. I was born on August 30, 1909, in
Grafton, Oklahoma, and am employed as office supervisor
for Material Handling, Foreman and Company, located on the
Eleventh Floor of the Texas Merchants National Bank Building, All In
Dallas, Texas. I am married to Mrs. Haggerty, Foreman and
Company for ten and one-half years.

On November 22, 1963, at the moment of the
assassination of President John F. Kennedy, I was seated
as a desk in the Fourth Floor office of Scott, Foreman
and Company and was watching the Presidential motorcade
through the windows located on the north side of the Texas
Merchants National Bank Building. I could see the back of the
President's car and the Secret Service was in front of it.

I recall that I was looking toward the west corner of the
building when I noticed the shot. The Secret Service agents
stood up and turned west, and I turned my head west as well.
I saw President Kennedy fall behind a tree. I burst into
sobs and dropped my head onto my desk. I could hear the
crowd yelling and screaming in the street.

I do not recall ever seeing Lee Harvey Oswald at
any time prior to the assassination of President Kennedy
and no positive I did not see Oswald to see Oswald on the
morning of November 22, 1963. Further, I do not recall observing
