21 February 1964 memorandum to RANKIN based upon DURAN's 1st and 2nd interrogations. 1st interrogation passed to Station on 26 November 1963; 2nd interrogation passed to Station before or on 13 December 1963 (see dispatch NMMA-22625, 13 December 1963 which forwarded 2nd interrogation with questions provided by the Station for use by the Mexicans during their interrogation of DURAN).

NB: It was on Station's initiative that Mexican authorities were requested (by Station) to arrest DURAN and to hold her "incommunicado until she gives all details on OSWALD known to her." (See MEXI- 7029 IN 67190, 23 November 1963)
