

catching up to Elbery.

Q. Okay. But keeping in mind if you're accurate about two minutes, they're only 100 yards down the road?

A. Right.

Q. So whether they just caught up or had caught up for a period of time

A. Right.

Q. -- you really would be guessing, other than to say: I don't know?

A. Right, exactly.

Q. Okay. So now what do you next observe happen when you see them all in this particular position?

A. Well, he threw a couple punches

Q. Elbery did?

A. Yeah.

Q. Yes, and then what?

A. And then they locked and they went down, and then the other guys were around them and I couldn't see from there, you know.

Q. Okay. So you saw a couple of punches thrown?

A. Right.
