

Q. Who was on top, who was on the bottom initially, you don't know?

A. I don't know.

Q. Okay. When they got down though, were they wrestling around?

A. They were wrestling around, yeah, and it was a split second, and then all of a sudden, somebody started screaming that his eye was out.

Q. Okay. So then when they were wrestling around for a minute or so or whatever it was, right, you were still standing there?

A. Right.

Q. You hadn't moved toward this situation?

A. Right.

Q. And Sawyer, I take it, likewise stayed about where you were?

A. Right.

Q. Okay. So as I understand it from what you said, a couple of punches were thrown, then they locked, then they went down, wrestled around for less than a minute, then Wyne comes back and says something to the effect about an eye and call the police, right?

A. Right.
