

A. Correct.

Q. All right. Then what happened?

A. Well, we were trying to restrain Mr. Elbery, because we wanted waiting for the police to come. We didn't want him to leave, because we were worried about the girl.

Q. And what did you do, you and the other two individuals do, to hold Mr. Elbery down?

A. We sat on him.

Q. And one of the other two individuals was Taraskiewicz?

A. Yes, it was.

Q. And how would you describe him physically?

A. How would I describe him?

A. Yeah.

Q. Stocky, I guess.

Q. About how tall, in relation to you?

A. I guess he's five-ten.

Q. And what are you, about six feet?

A. Six-two.

Q. So he was a little shorter than you but --

A. He was stocky, yeah.
