

person was holding him down?

A. I'd say that's correct.

Q. And it wasn't until after you made that observation that Mr. Schlener came outj am I right?

A. That's correct.

Q. Now, after the police arrived, do you recall whether or not they questioned anyone in your presence or where you could hear?

A. I know they did not question me. What they may have asked other people, I have I have no idea. Maybe briefly what happened or what's going on or --

Q. How long did you stay outside, in the vicinity of where Mr. Elbery was, after the police arrived?

A. After the police arrived?

Q. Yes.

A. I remember going back into the bar to get a coat or whatever I had on, keys on the counter or something like that. It was not that long.

Q. And then what did you do?

A. I did not stay much longer after that, if maybe 15 minutes.
