Re: Commonwealth v. Michael Elbery
Docket No. 9462 JC 3067

Dear Mike:

Please be advised that I was held in the Gardner Court on Friday longer than I had anticipated. I had also received word from my office on Friday that I received a fax from the DA which contained a letter from the Shrewsbury police that conceded that your F.I.D. license was valid on August 4, 1994. Enclosed please find a copy of that fax. I tried to reach the DA on Friday afternoon to discuss his note on the fax concerning a not guilty on a jury waived trial. I'm going to find out if we can bring the case before Sullivan next week and dispose of the whole mess.

I apologize for not making it over to talk to you on Friday.
I will keep you posted.

Very truly yours,

Kenneth L. Brekka, Esq.
