On August 4, 1994 there was a major fire at the E Z Mini Storage, located at 869 Boston Turnpike in Shrewsbury. During the course of the fire, fire fighters were required to open storage areas in order to put out the blaze. At some point, fire fighters opened storage bin C-341 in order to fight the fire. They were able to extinguish the fire within this storage bin.

On August 5, 1994 officers of the Shrewsbury Police Department, along with fire officials worked continuously from the time of the original fire, on the investigation to determine the cause and origin of the fire. During this examination of the building, Sergeant Chester Johnson of the Shrewsbury Police Department had occasion to inspect storage bin C-341 which was open to public view due, to the fire.

Inside storage bin C-341 was a 1990 Chevrolet Corvette, VIN number 1GYZ23J615800956, which is listed to Michael Elberry of 31B Chilmark Street, Worcester, MA.

Inside the passenger compartment, in plain view, was an item wrapped in plastic and tape. This item was consistent with the shape of a rifle. A portion of the

plastic can be seen through and appears in fact to be a rifle. Next to this item on the floor is a box marked "UZI". Through this officers training and experience, "UZI" is known to be a type of firearm, commonly a machine gun.

Mr. Elberry had been at the E Z Mini Storage four or five times since early that morning attempting to reach his storage bin C-341 with the stated reason of trying to lock it. During this time he made the following statement to Sergeant James Hurley, "I can't do anything anymore, I'm a convicted felon". Mr. Elberry stated to Sergeant Hurley that the vehicle belonged to him.

Mr. Elberry rented storage bin C-341 on July 25, 1993 and on August 5, 1994, Mr. Elberry was standing outside the gate waiting for officers to allow citizens to enter the fire area.

This officer checked with the Worcester Police Department and determined that their records indicate that on January 28, 1991 they received a court memo confirming revocation of Mr. Elberry's right to possess firearms.

On the above date and time I was requested to assist Lieutenant Wayne Sampson and other members of the department with the execution of a search warrant at the EZ Mini Storage located on Boston Turnpike, Shrewsbury. The container to be searched was container C341.

Upon my arrival photographs were taken of the storage container and I noted that there was a 1990 Chevy Corvette, color red, facing in an easterly direction headed into the storage container. To the rear of the Corvette, near the opening of the overhead door, was a palette. Along the right side were bar lights. There were other miscellaneous objects to the passenger side front. In the vicinity, just to the right of the tire, there was a suitcase, which was confiscated by this department. In front there were miscellaneous bar type items. To the left front, near the drivers side tire, there was a blanket and underneath the blanket were three boxes believed to be AK 47's, which were found by Lieutenant Sklut. The previous mentioned suitcase was found by Sergeant Faucher.

Just to the west, or towards the opening of the container, was a bag which was found by Sergeant Johnson. And that bag contained, what appeared to be, a
