14          than fair to the defendant when he  
15          did come forward and give the  
16          information is being intimidated, and  
17          I would ask if you are going to  
18          consider a fine that it be a  
19          substantial fine. With the education  
20          issue of the defendant, he should be  
21          able to -----
